### Small-Pox in the County.

Mrs. Chas. Thacker, of Hamilton, O., who is visiting the family of her husband's father in the western portion of the county, developed Monday a genuine case of small-pox. Dr. Williams of this city, is treating the patient and says she is well broken out, scabs forming in the palms of her hands and on the bottoms of her feet. A quarantine against the infected house has been established by the county authorities and the yellow flag hoisted. There has been a number of exposures to the disease. Most of the persons exposed, however, are residents of Clark county and are therefore from under the surveillance of the Powell county authorities.

### More Frost.

There was considerable frost Tuesday morning, but the fog in Clay City kept it away from here. The damage of the frost is light. Several cool days again this week which seems to retard growing crops considerably.

A big line of new and up-to-date Post Cards at the Drug Store. They were the first ones to introduce these cards here.

### When Our Bridges Will Split.

Every day we are asked how long it will be until our bridges will be put up. We have a letter from the contracting bridge company stating that with no future delay both bridges will be shipped June 1st. After shipment it will be about one week before the bridges will arrive, and about four weeks more will be necessary to construct the bridges ready for travel. In all these bridges should be ready for travel by July 10. The people are very much interested in these bridges and are also becoming more interested in good roads. Most of our citizens are now of the opinion that with bridges at all the important crossings in the county, good roads will, of absolute necessity, surely follow.

### That Sleeping Commercial Club.

That Clay City Commercial Club which is resting in quiet sleep should arouse up a little while and see what other clubs are doing for their towns and listen to some of the needs in our town for an active club. A number of good business opportunities are open for location in Clay City, and all that is necessary to secure them is a determined and unyielding co-operative effort of our business men. Let us wake up and get out of the rut. A nice little printed constitution and by-laws are ready for adoption by this slumbry body and enough work ahead to keep us awake for all future time if we can only once get properly aroused to our duty.

### Juvenile Cutting Affray.

After the closing exercises of the School Commencement Thursday night, Claude Sons of this city, and Floyd Clay, Bert Crow, Robt. Hardwick, Harry Russell and Clay Knox, of Stanton, all boys of from twelve to fifteen years, engaged in a controversy which resulted in a fight and Sons being cut one gash in the abdomen by Clay. The wound is not serious and Sons will get well. The boys were brought before Judge Fletcher Saturday morning and gave bond in the sum of \$500 each to appear again June 1 for examining trial.

### To Locate in the Best Town.

A citizen of Winchester, who is temporarily located in this county near a good sulphur spring for his health was in the city Saturday. He said he had been in Clay City several different times since March, the time he came to the county, and had never yet seen a drunken or disorderly man in the town. He is so impressed with our morality that he intends to buy property here and locate permanently in our quiet and peaceful, yet thrifty and progressive little city.

### The May Examination.

The May examination for teachers was very rigid and many failures are reported from the different counties. There were two failures in Powell and Mrs. Pattie Ware alone secured a first-class certificate. Misses Bowen and Knox were each given a second class certificate.

John Collier, who has been in the South for some time, has returned home and accepted a position with E. H. Camp as stenographer and bookkeeper at the Salt Lick Lumber Company's office.—Salt Lick Times.

Mr. Collier was located in this city for quite awhile and while here gained many friends and well-wishers.

### The Bank Statement.

The Clay City National Bank has a report in this issue which is one of the best ever published. This old reliable institution can always be depended upon when it comes to making a satisfactory showing.

Considerable ties and tanbark are now being hauled to market. The price is higher than in previous years which makes the farmer and timberman smile.

### MARRIED.

At Union Hall, Wednesday, May 22, Elder T. P. Edwards officiating, Miss Lizzie Ginter and Mr. Dillard Adams were married. At the same time and place and same officiating minister, Miss Ellen Ginter was united in marriage to Mr. James Smyth.

### How the Law Applies.

The Court of Appeals has passed on the Louisville city election in 1905 and decides that the election was invalid, and now Governor Beckham will fill the vacancies by appointment.

The municipal election in this city was also declared invalid by the Court of Appeals, and how different the law applies. When upon application to Gov. Beckham to appoint municipal vacancies, he advises the old officers hold over, and this they are doing. Thus it seems that in first-class cities in case of vacancies, the Governor appoints; in fifth class cities the old officers hold over, while in sixth class towns, we are informed, the County Judge fills the vacancies by appointment.

W. E. Heflin and B. T. Fox last week bought of F. B. Ledford, of this county, a bunch of one hundred sheep and lambs at \$3.30 per head.

Mrs. W. F. Barnett spent a few days with relatives in Winchester the latter part of the week.

## \$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

## ANNOUNCEMENTS.

We are authorized to announce CHAS. EWEN candidate for County Court Clerk, subject to the action of the Democratic party.

## In a Nutshell.

A Kentucky community to the Liquor Dealer: "Thou Shalt Not." The Powers at Washington say: "Thou Shalt!" The Kentucky courts, from the lowest to the highest, unite in saying: "Express offices of the State shall not be converted into saloons for the dispensing of liquor." The United States Supreme Court says: "Indeed they may—your will and laws to the contrary notwithstanding."

The partnership that exist between the Republican United States Government and the whisky Trust practically nullifies the people's efforts to suppress the traffic by the local option system. They vote for home rule and stop the licensed sale in many localities. The United States Supreme Court holds that 'Interstate Commerce' permits liquor dealers of other States to ship into these localities thereby setting at naught the will of communities and their efforts to banish the evil for the promotion of temperance among the people.—Somerset Journal.

In large letter head lines and a lengthy article in Tuesday's daily papers, we learn that Roosevelt, Mrs. Roosevelt, Miss Ethel Roosevelt and other members of a Presidential party while on a "Rough Ride" to Mt. Vernon were caught in a shower of rain and thoroughly drenched and mud-bespattered. We have been caught in the same condition ourselves perhaps a hundred different times, and forgot to even mention it at all.

We have seen the bandage sleeve, we have seen the puff sleeve, we have seen them half tight and half loose, tucked sheared gored and the laced sleeve, but we never saw any kind of a sleeve that didn't beat the sleeveless sleeve the girls are wearing today.

The sweet girl graduate is all right, but the first course she should graduate in is the art of cooking, churning, sweeping, and general house work. And the best of all the school that teaches this science and art is close to home and is attended by every sweet girl in the land.

Every year since we have been publishing the Times we have read in some of our exchanges the statement that the locusts would come the current year, but as last year was their real year and they were so numerous we thought these predictions would let up for a year or two, but not so, a number of papers

claim that the 13-year locusts will appear this year in great numbers, particularly in Western Kentucky, Tennessee and many of the Southern states.

Judge Hargis was acquitted of the conspiracy charge against him in the Cockrell assassination case at Lexington last week.

## Wake Up! Wake Up!!

And realize the fact that I am here to help you as well as myself. Why in the name of common sense should you keep on encouraging a high price store when I am offering you the same goods, and really much fresher, at a saving of from 10 to 50 cents on the dollar. Some measly competitors will tell you all kinds of stories about shoddy goods, short weights and etc., but come and judge for yourself by giving me a fair trial. Don't knock and tell others if we make a mistake, but tell me and I will gladly do my part to correct same and thank you besides. Don't forget the fact that before I opened my grocery and cut the prices, you got only 14 pounds of sugar for \$1.00, and other goods in proportion. So if you are now able to get a little more at other stores than formerly, it's because I made it so. Therefore you should give credit to whom it belongs, and show your appreciation by trading with me.

Chestnut horse 6 by the Commoner (son of Hanover and Margerine by Algerine) dam Levisia by Brutus, second dam Llera by Fonso, third dam Acidenta by Canada. Bred and raced by Talbot Bros., Paris, Ky., and sold as a three-year-old to M. H. Tichenor, of Chicago.

Dalvay's only start as a 2-yr.-old was at Washington Park track, Chicago, on July 14, 1903, when he ran unplaced in a purse race won by Blumenthal with Dungannon second and Martius third. As a 3-yr.-old, however, he was well nigh invincible, being inside the money in each of his starts. With a single break, where he finished second, Dalvay won eight straight races, beating the best horses at the Chicago track. The following is his record for the year 1904: June 29, Hawthorne—Purse three-year-old, 6 furlongs—Peter J. Somers 122, won; Dalvay 114, second; Singing Master 114, third; Fourteen Starters. Last year Dalvay was started twice. At Brighton Beach July 26 he finished a good fourth after having been practically left at the post, and Aug. 13 at Saratoga broke down and has not since been trained. It will be noted that in his race at Harlem Sept. 9, 1904 Dalvay ran a mile in 1:39, defeating a number of the fastest horses in the West. He won, pulled up by two lengths and could unquestionably, have made better time had it been necessary. In all Dalvay won twelve races, was four times second, once third and four times unplaced. His winning totaled \$9,260.

This most excellent horse will make the season of 1907 at the stable of Thos. Conlee one mile west of Stanton at the low service fee of \$10 00.

This is an excellent opportunity for Powell county farmers to get the service of a thoroughbred horse. There is no better in the State.
